## 20 February 1975

MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Public Appearances

- 1. When you have given your last opening statement to the last committee, I think it will be time to consider moving out to the attack.
- 2. To think about in this connection:
  - a) time for you to go on big-time TV talk shows?
  - b) Deputies and other articulate Senior officers to pick up some of the speaking engagements being offered?
- 3. This should be our program not only from an external point of view, but internal as well. From my contacts with the mid-career course and elsewhere, I suggest that we may need to appear (and be) more combative.
- 4. I can't pass by this opportunity to say that we've already:
  - a) back-burnered a proposed new CIA film;
  - b) transferred to other duties the man writing the unclassified revision of the CIA fact booklet.
  - c) agreed that the Rotary Kiwanis Lions Club circuit is not for us.
- 5. Perhaps a re-think of these paragraphs 4 hobby horses of mine is in order.
